# Actuators - D8FCE

## >> D8FCE

### >> Product Summary

- Linear actuator for roof vents and domes.
- High speed operation.
- High protection degree IP55
- Choice of 160, 200 or 300mm travel.
- Microswitch limit stop
- Standard colour silver

### >> Technical Specification

Voltage	230V ac
Stroke	160/200/300MM
Force in push pull action	500N
Absorbed Current	0.76A
Speed	19MM/S
Protection Class	IP55
Wiring	4 Core
Colour	Silver
Limit Stop	Microswitch
